4. What are the arrangements for the residence halls in terms of roommates, etc.?

All Project SMART students will be living in one residence hall (Gibbs Hall) for the duration of the program. Students will be separated by gender per floor. All students will have a roommate throughout the program.

5. Is it possible to send last year's (or even this year's) program?

We will have a tentative program posted on the web by June 15 – events are scheduled to change due to weather or availability of guest speakers, etc.

6. How is the transportation from the airport to the program handled?

If several (3-4) students are arriving at the same time, we'll pick them up from the Boston (Logan – BOS) airport; otherwise, they may travel by C&J bus (<http://www.ridecj.com/tickets/schedules/boston-southbound>) to Portsmouth NH – about 70 min ride; and we'll bring them to UNH from the Bus stop in Portsmouth. Please check their website for the most up-to-date fees for tickets. Let us know if you are below 16 years; the bus will not let you travel alone.

7. What are the arrival dates and times?

The students should arrive on Sunday the 26<sup>th</sup> of June and leave either after 7:00 pm on the 22<sup>nd</sup> or any time on the 23<sup>rd</sup> of July. If parents are coming, let us know. They would be allowed in the Sunday evening meeting and can stay Monday morning until lunchtime. They can join for lunch - ~\$12 ea.

8. Rooms do not have an AC; a fan can be arranged for those who are flying in.
