To Gibbs Hall:

Drive through campus, staying on Main St., until you get to the small village of Durham. At the mid-point in Durham, bear right onto Mill Rd. Drive for about a quarter mile, then turn right onto Academic Way. Gibbs Hall is on the right; turn into the small lot to check in and unload. After unloading, parents are asked to park cars in B-Lot across the entrance from the small Gibbs lot. Sunday parking is free – PLEASE DO NOT PARK IN RESERVED SPOTS

Travel Information – Project SMART

If you are flying to the program, we recommend using Boston-Logan Airport (about one hour from Durham & campus): <http://www.massport.com/logan-airport>

Connections from Logan Airport to campus is serviced by C & J bus service to Portsmouth, NH (less than 10 miles from Durham): <http://www.ridecj.com/>. The bus leaves outside the arrival zone of Logan every hour. Please note that the UNH/Durham service is not available during the summer, so be sure to look at the Portsmouth connection on the schedule. Also, please note the following C&J age regulation:

How Young Can a Child Be When Traveling Alone?

All children under 16 years of age must be accompanied by an adult (18 years of age or over) when traveling on C&J Bus Lines. Unaccompanied children under the age of 16 are not permitted to travel on C&J.

Project SMART staff will arrange for pick up at the C&J station in Portsmouth, or, if there are a number of students arriving at Logan Airport around the same time, we may drive to Boston for pick up. You will know that in advance. Those younger than 16 will be met by a staff member at the airport.

Friday, July 27: The program will conclude around 2:30 p.m. IF flying!
Do not make any flight arrangements before 6:00 p.m.

Or Saturday, July 28: Any time, if not flying

Parents are invited to attend the Poster presentations and closing ceremony approx.

11 am – 2 pm (more details to follow).

Additional questions or concerns can be directed to Cathy Leach (cathy.leach@unh.edu) or Prof. Minocha (subhash.minocha@unh.edu).

To Bring or Not To Bring

The dress at Project SMART is casual and appropriate. For the most part, clothes that you'd wear to school are fine. However, also remember to bring:

- Closed toe shoes for when you're in the lab
- Clothes and sneakers for active pursuits on evenings and weekends
- Bathing suit for possible swim activities
- A mix of long and short sleeve shirts and pants/shorts and sweatshirt(s)
- You may bring a laptop. Wi-Fi is available in classrooms

*Students in the Marine & Environmental Science module will receive further information from Dr. Haney regarding other items to bring for field trips

Additional items:

- Toiletries
- Bug spray
- Sun block
- Pillow
- Towels
- Clothes hangers

You may also want to bring:

- *Bed linen (mattresses are long twin – 36 x 80) including sheets, blanket, comforter, etc.
- Ethernet cord
- Wall hangings, trash can, scatter rug or other personal items for your room
- Fan – Gibbs Hall is NOT an air-conditioned building
Note: we will provide a table fan for those travelling by air
- Spending money -- \$30 - \$40 per week is suggested, perhaps more if you're staying for the weekends according to your spending habits. All meals are provided.

*Bed linen can be provided by UNH Housing for a cost. The linen set includes: blanket, pillow, flat & fitted sheet, pillowcase, two towels and a washcloth. A weekly rate of \$20.00 covers the bedding and towels with fresh linens provided each week. For more question regarding UNH-provided bedding, please call Michael Saputo, Assistant Director – Apartments/Summer Conferences at UNH Housing, 603-862-1007.

DO NOT bring to campus (these items are not allowed in the Residence Hall):

- Candles
- Hot plates
- Heating/immersion coils
- Electric fry pans
- Toaster ovens
- Air conditioners
- Non UL listed items
- Water beds and pets
